# PurePanel® brings innovation to every surface

Havwoods are excited to announce a new extended collection of pre-finished real wood veneer panels. PurePanel® is perfect for designers, architects and joiners who wish to create stylish and unique interiors in both commercial and residential applications.

Our PurePanel® boards are incredibly versatile and ready to use, offering huge time and cost savings, whilst still offering the distinctive look and feel only available from real wood.

Coloured to compliment some of our most popular floor colours, the mix-matching technique and industrial processing of PurePanel® also guarantees consistent colours and quality.

the PurePanel® collection

## Cabinetry

featuring Artenay  
and Bayonne from  
the PurePanel® collection

## Key features & benefits

- ✓ Premium quality, European timber veneer that is ethically and sustainably sourced.
- ✓ Moisture resistant MDF core provides excellent performance and stability for cupboard doors.
- ✓ Endless opportunities across a multitude of applications such as cabinetry, walls and just about any internal surface.
- ✓ Nine of Havwoods most popular on-trend timber tones to compliment some of our most popular floor colours.
- ✓ Mix-match production technique ensures each panel is consistent in colour and quality.
- ✓ Panels are supplied ready to use and require no additional finishing on-site.
- ✓ Our pre-finished panels make installation or fabrication effortless.
- ✓ Matching PureEdge trim for that perfect sealed finish.

The mark of  
responsible forestry
