BUILDER

Kildare Ministries

ARCHITECT

Morton Dunn

LOCATION

Herne Hill, Victoria

SCOPE

IntraSpace were pleased to be part of the new library project providing the main library shelving and magazine storage units, along with other soft seating and furniture.

The Federal Government provided \$1.5 million in funding to the project.

- \\ Library shelving bays complete with top and end panels
- \\ Magazine & Newspaper display units
- \\ Mobile book display units
- \\ Modular seating and ottomans
- \\ Meeting tables and mesh back task chairs

Launched in 2006, the Deakin University School of Medicine allows graduates to have hands-on experience with doctors, surgeons and other medical professionals.

BUILDER

Rork Projects

ARCHITECT

DesignInc (Melbourne)

LOCATION

Burwood, Victoria

SCOPE

The IntraSpace crew installed IntraMed Storage Towers to hold the IntraMed ABS Basket Range. These modular baskets came in various sizes and were used to store medical supplies based on their size and usage. Not only improving storage capacity and handling of stock – but saving tremendous amounts of space.

Lighthouse Christian College Cranbourne was founded in 2000. Due to the school's rapid expansion, it needed a new Administration Building, Office Space & new Classrooms.

BUILDER

DJ Constructions

ARCHITECT

IntraSpace (Furniture)

LOCATION

Cranbourne, Victoria

SCOPE

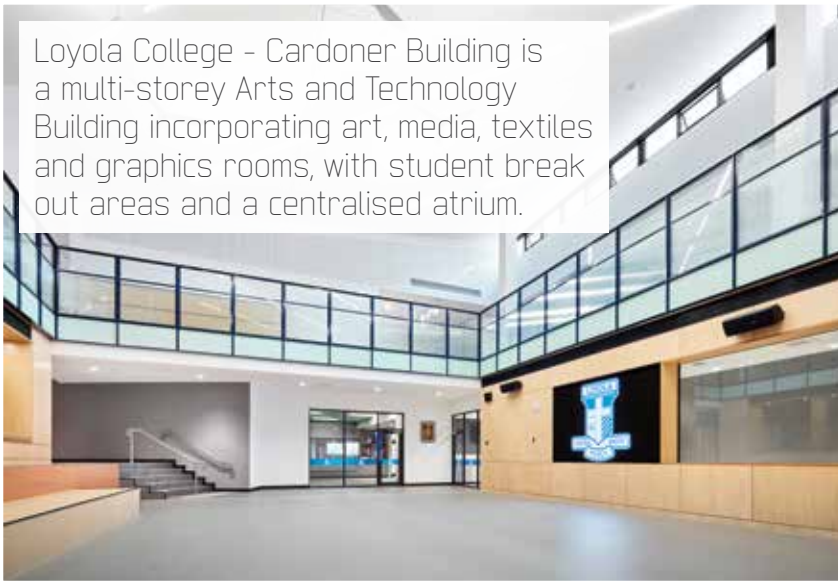

IntraSpace was approached to design and supply all furniture for the new Admin/Classroom Building. We were given a very short timeframe to complete the main works of around 5 weeks.

The scope included:

- ∨ All staff workstations, seating and storage
- ∨ All filing and shelving solutions
- ∨ 265 x Student Tables – height adjustable
- ∨ 500+ Student Chairs –range of seat heights
- ∨ Lunchroom and reception furniture

TESA Education consortium will finance, design, build and maintain two, early childhood to year 12, public schools in the Adelaide suburbs of Aldinga and Angle Vale.

BUILDER

SARAH Constructions

ARCHITECT

Swanbury Penglase

LOCATION

Aldinga and Angle Vale - South Australia

SCOPE

As each school will initially accommodate 1,675 students, including 100 integrated special school students and a 75 place children's centre, with provision for future expansion to 2,000 students — it was a large job which IntraSpace was ready and willing to help with.

IntraSpace supplied a wide range of products including - custom joinery units, soft seating, student tables & chairs and Huddle whiteboard units.

The St George Library redevelopment created a vibrant 'hub' and integrated the library and cultural centre to offer a greater scope of programs and activities.

BUILDER

St Hilliers

ARCHITECT

Complete Urban

LOCATION

St George, Queensland

SCOPE

The new library has areas for collections, general reading, a quiet reading room, a makers space, a staff workroom with kitchenette, and two community meeting rooms.

After years of planning, Canberra's newest independent bookshop have opened their doors. They are proud to be a part of Australia's largest buying network of independent bookshops.

BUILDER

Book Cow

ARCHITECT

IntraSpace

LOCATION

Kingston, ACT

SCOPE

IntraSpace were very happy to assist The Book Cow bookshop with their shelving needs. Working closely together with our design team the Convertible Library shelving for their new space came together beautifully.

Ranked as one of the greatest Universities in the world, the University of Melbourne is an institution that makes distinctive contributions to society in research, learning and teaching and engagement.

BUILDER

Kane Constructions

ARCHITECT

Hassell

LOCATION

Parkville, Victoria

SCOPE

Kane engaged IntraSpace to design, supply and install the locker solution for the students in the new WEBS Building. This involved a lot of consultation with the users, security and the University to achieve the functionality they required for the locking. The lockers were fitted with a Gantner RFID solution that allows the students to swipe the doors open with an access card.

The first library in Victoria giving 24/7 access to members and allowing families to visit the library outside traditional hours.

BUILDER
