PGH BRICKS & PAVERS

CSR

Morada

Morada is the contemporary, new premium brick collection from PGH. The collection boasts clean lines with a smooth, matte porcelain-like finish. Combined with the subtle softness of a fresh new colour palette, Morada brings modern European style to the Australian building landscape.

Colours and Sizes

Made in Spain from ultra fine clay, Morada has a matte, refined finish and designer colour palette. The collection is available in three sizes, from Standard and Splits to the long, sleek look of the Linear shape.

Morada's versatility allows it to be used as a simple and strong material in a beautiful, modern build. Alternatively, Morada can be paired with other materials to provide an elegant contrast in both colour and texture.

For installation details, specifications and cleaning instructions, go to pghbricks.com.au/morada

Morada is available in three sizes

LINEAR

SPLITS

STANDARD

All sizes and colours are Exposure Grade (EXP).

Note: Allow 8-10 weeks for major orders.

Blanco

Blanco is pure, contemporary, minimalist and fresh.

Ceniza

Ceniza is raw, urban, subtle and complementary.

Gris

Gris is warm, elegant, earthy and effortless.

Nero

Nero is dynamic, robust, sleek and striking.

Design Versatility

Nero and Blanco

Blanco and Gris

The sleek shapes of Splits and Linear allow you to inject slender leading lines into your project, creating a beautiful alternative to standard brick. Both sizes come in modular proportions to reduce the need for brick cuts.

Consider alternative options for bond patterns, mortar, or even laying techniques such as corbelling and hit and miss brickwork, to add that extra layer of creativity into your build.
