Line Structured Panels

These new decors manufactured using the latest generation technology enables the design and finish to be synchronised. Thus replicating all the beauty and realism of natural wood. Look and feel, two senses that will make you appreciate the naturalness of this product in every dimension.

Synchron REGISTER Oak's highly decorative finish enables the panels to be applied throughout a wide variety of furniture and interior design projects.

AlvicTM SYNCRON Art Oak

The versatility of the Art Oak colour range means the panels are adaptable to any style or design that require realism. The soft tones work well with a large number of projects.
