volcanic limestone baths

Cabrits

Cabrits

 Contoured to fit the body, Cabrits offers enhanced support for bathers of all sizes and is complemented by a low profile vessel basin. Its special 'double dip' design makes the bath one of the most comfortable available and, with a maximum volume of just 176 litres, also the most water efficient in the Victoria + Albert collection.

Like every Victoria + Albert...

- » Made from QUARRYCAST®
 - One piece casting of volcanic limestone and resin
 - Stronger and more durable than acrylic
- » Naturally white, easy to clean high gloss surface
- » 25 year guarantee
