CLEARGLIDE DOORS

KRGS's innovative Clearglide is a most versatile door and wall system free from mullions and restrictive pillars, providing the ultimate in practical side folding doors. Open your business to passing trade and enjoy the freedom to provide a contemporary al fresco atmosphere or easily partition large areas within your building to create several rooms that can be easily opened or closed.

Application - Shopping Centres, Shop Fronts, Club and Hotel Bars, Counter Tops, Kiosks, Arcades, Serveries and Doorways.

Architectural Specification - Supply and Install Clearglide manufactured by KRGS Roller Grilles and Shutters **02 9519 7822**.

Specification - KRGS Clearglide is available in standard width panels to provide versatility in shopfront design.

Track - is to be constructed from sturdy extruded aluminium 40mm wide by 65mm high (to the centre of the track). The track has a unique joining pin system to ensure smooth operation of the closure.

Curtain - The curtain is constructed of low friction continuous hinged panels, these are interlocked and secured on to the locking posts at each end, and sections are then joined via a unique intermediate post system bottom only locking to secure it. The panels are in filled with a choice of glass, polycarbonate or perforated vision mesh.

Locking - Locking is via a key system which throws a steel rod into the dust proof floor socket which is drilled into the floor. Key operation is from both inside and out. Multiple doors can also be keyed alike.

Weight & Stacking - Door weights are approximately 45kg/1m. Always contact KRGS Technician for accurate stacking details.

Operation - All folding closures are manual operation, and can be operated with ease by even the most diminutive staff. The closure is designed so that all modes of operation and locking with user standing entry. Doors are either Centre Stack or Parrallel Stack.

Finish - Clear anodised is a standard, whilst Dulux powder coated range is available as an optional extra.

Warranty - A 12 monthly warranty against defective materials and workmanship applies.

Look - The overall look is one of a sophisticated and elegant wall of windows whilst offering the protection of the perfect security barrier.

Since 2007 KRGS have manufactured and designed innovative doors, which are seen in most prestigious buildings both in Australia and Abroad. KRGS backs up all their products with an excellent after sales service team, call TODAY and one of our team will be delighted to supply any further technical data you may require.
