INTRODUCING

# Altro Whiterock Wall Designs

Welcome to the latest vision in wall decoration – Altro Whiterock Wall Designs.

Developed in response to market needs, Altro Whiterock Wall Designs will transform your interior environment whilst retaining a high level of functionality.

It's the perfect combination of style and strength.

## COMPLETE YOUR LOOK

Altro Whiterock Wall Designs are ideal for general circulation areas as well as non-critical hygienic wet environments such as bathrooms and spas. The variety of design options means there's a wall product to suit any design aesthetic and the smooth impervious surface – fitted like an Altro Whiterock sheet – means minimal maintenance is required to retain the original appearance.

The new Altro Whiterock Wall Designs partner perfectly with the suite of Altro floor, wall and door products for a total project solution. Designers, specifiers and end users have an extensive colour palette to create stunning, coordinated interiors. And all products are backed by Altro's industry leading technical support, customer service and quality guarantees.

## ALTRO WHITEROCK WOODGRAINS

Embrace nature in your interior spaces with Altro Whiterock Woodgrains. Woodgrain brings both warmth and richness to the design palate, and it fulfils our innate need to connect to the natural environment.

With three options available in the Altro Whiterock Woodgrains suite – Soft, Warm and Rich – there's a tone to suit the design and purpose of any interior environment.

## ALTRO WHITEROCK METALS

Whether it's a gleaming slice of contrast or a bold statement wall, Altro Whiterock Metals in Antique Copper and Brushed Steel provide the bling. Coordinate with rustic elements to bring out an industrial edge, or

pair with clean lines to create a cool city vibe. Either way, Altro Whiterock Metals is one of the easiest ways to inject style, glamour and interest into any interior environment.
