DS2075 Barrier Screen Door Lock

Hardware for Barrier Screen Doors

DS2075 Hinged Barrier Door Lock

New to the security market is the Doric DS2075 Hinged Barrier Door Lock.

Made from a zinc diecast body with stainless steel strikes, the DS2075 provides Doric's highest level of security for all hinged screen doors.

The optional multipoint slave kit increases protection for all hinged screen doors and offers value above and beyond what is currently available in the hinged screen door market.

Available in a range of colours this hinged screen door lock is non handed and suitable for both left and right handed doors.

The DS2075 exceeds the industry standard and has been cycle tested to AS4145.

Features

- Contemporary styled furniture
- Non handed furniture - suits left handed and right handed doors
- 3 point kits for additional security available
- Fits industry standard cut outs
- Zinc diecast lock mechanism and furniture
- Mortice lock inside snib
- Accepts Doric Euro profile lazy cam cylinder
- Suit standard 20mm door thickness
