

# RAPID AUTO ROLL DOOR

Series RL3000E

*doors with intelligence*

## Another product from the DMF range

The Series RL3000E Rapid Auto Roll Door is fully manufactured in Australia, by DMF. It is a reliable and durable door, yet providing a simplicity that allows non specialist installation. Custom made to size, DMF can also manufacture to suit very specific requirements.

Have a look at the many options available as listed overleaf.

### Ideal for . . .

Warehouses

Process Rooms

Coolrooms

Cleanrooms

Workshops

Hospitals

Supermarkets

Custom-made to suit your application

[www.dmf.com.au](http://www.dmf.com.au)

Since 1967, DMF International has been creating only the best climate control door systems for the Australian and export markets. The RL3000 RAPID ROLL DOOR continues this great tradition.
