

Archer Series

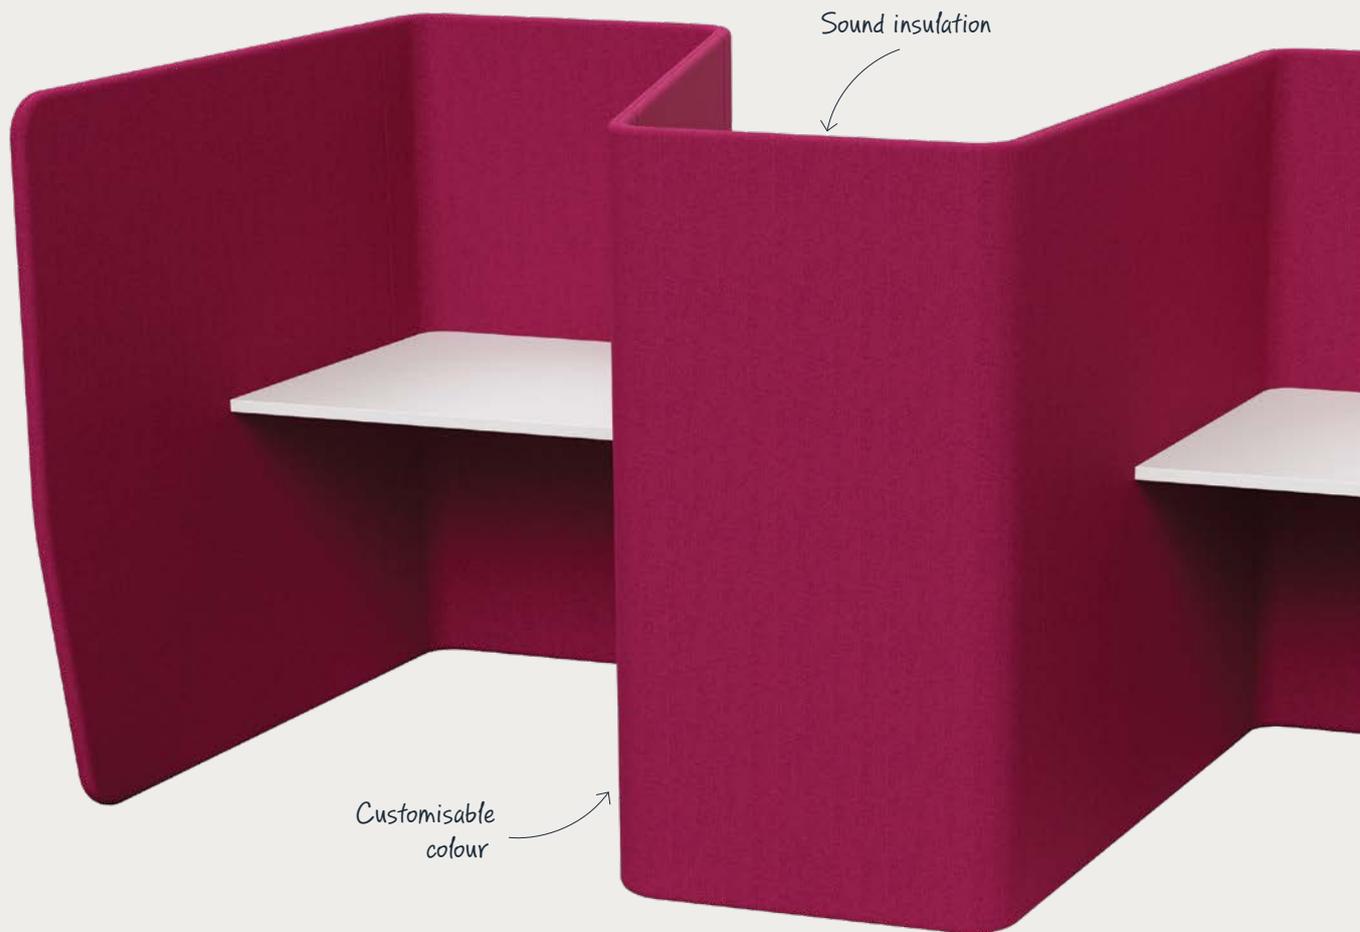

OFFICEPACE

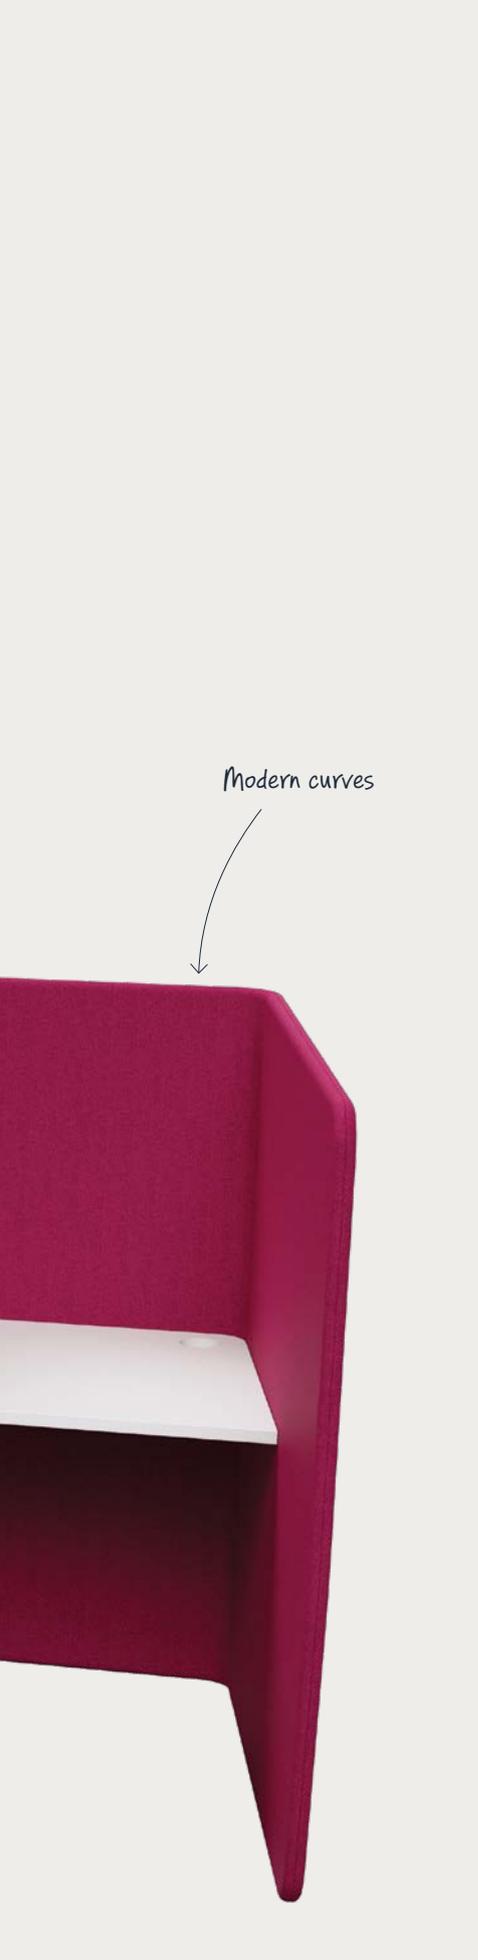

Focus with flexibility

Enter the Archer series

Collaborative offices are inspiring – but sometimes employees need peace and privacy to immerse themselves in delivering solo work.

Archer uses modern curves, acoustic smarts and clever shapes to provide secluded spaces in busy offices. With focus screens, workstations and a choice of inviting privacy pods, it's the perfect addition to today's office environment.

Modern curves

Archer Mod Pods 8

From semi-private nooks to wrap-around 'clams' Archer Mod Pods easily inject different levels of quiet.

Archer Focus Screen 20

Can be completely customised to suit your specific workplace needs, look and design.

Quality backed by a 10-year warranty.

Standout colours

Archer's Mod Pods

From semi-private nooks to wrap-around 'clams', the Archer range includes a series of pods to easily inject different levels of quiet, personal space when concentration is crucial.

With clever configurations to suit any layout, Archer helps achieve the best of both worlds when it comes to activity-based working.

Enjoy a choice of fine finishes and gorgeous fabrics, or they can be fully customised to match specific needs, brand personalities and design visions.

Archer Ripple Pods

An inspired use of space, these Ripple Pods help workers get into the 'flow' with less noise and a sense of privacy.

Archer Ripple Pods

	Width	Depth	Height
Ripple 2-person	2800mm	1490mm	1400mm
Ripple 4-person	4420mm	1490mm	1400mm
Ripple 6-person	6100mm	1490mm	1400mm

Ripple

Archer Meeting Booth

Perfect for collaboration in comfort, the Archer Meeting Booth's enclosed design is ideal for focused teamwork, private meetings, or impromptu brainstorm sessions without disturbing colleagues. Accommodating up to four people, we can also customise a booth to meet needs.

Inclusions:

Table base and worktop.

Lounge-type chairs with comfortable internal cushions.

40mm thick upholstered privacy panels.

Archer Meeting Booth

Width	Depth	Height
2500mm	1400mm	1400mm

Archer Focus Screen

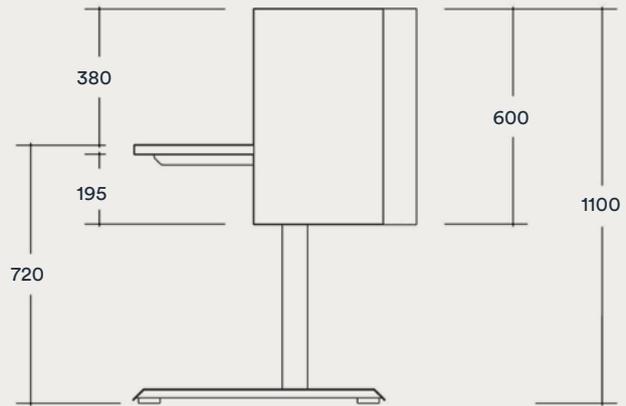

Archer Focus Screen

Designed to fit perfectly with the Archer Worktop, these 40mm-thick upholstered wraparound screens provide privacy and sound insulation. Choose a fabric to suit any style and budget or supply your own material for a custom look.

The Archer Focus Screen is also designed to be compatible with the renowned and highly popular Strata height adjustable desks - injecting even more flexibility into the modern day workplace.

Standard Screen Height

Focus Screen

Width	Depth	Height
1280mm	450mm	600mm
1580mm	450mm	600mm
1880mm	450mm	600mm

We can also make Archer Focus Screens in custom sizes. Please contact us for details and pricing.

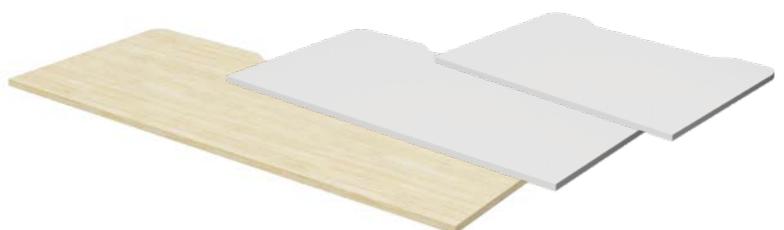

Archer Worktop

Low-key and uncomplicated, the Archer Worktop just works.

Constructed from high quality melamine, the Archer Worktop comes in three different sizes, an impressive range of colours and its rear scallop provides plenty of space for cables.

Width	Depth
