# Vienna

With sharp lines and bold pastel colours the Vienna range is designed for contemporary homes.

A tile to complement today's varied architectural styles, the pace and diversity of modern city living is reflected in the strong, straight lines of this tile.

# Grande

Originating from France, the Grande tile offers versatility and simplicity in a classic style terracotta roof tile.

The Grande tile continues the proud tradition of the tile maker's craft with a tile that suits a range of architectural styles.

The combination of its sharp clean lines and natural terracotta colour palette result in a roof tile with a timeless look and unmistakable style. Offering the colour longevity, strength, and durability of terracotta, the Grande is ideal for homes of distinction.

# Planum

Aesthetics and functionality are brought together in the Planum range, a collection of tiles that combines a traditional roofing material with contemporary architectural style.

Planum creates a look of simplicity and elegance with aged and monotone colour options developed to complement the sleek, refined shape of the tile. Due to its innovative design and size, the Planum tile is faster and easier to install, lowering installation time and costs. Furthermore the highly weatherproof design means it can be applied to roof pitches as low as fifteen degrees.

# Curvado

The Curvado range captures a look of grandeur with a distinctively European style.

A roof tile conceived to satisfy the needs and preferences of building professionals, the Curvado offers a variety of features which guarantee enduring popularity with home builders seeking a European style.

Manufactured from the highest quality clays, the Curvado incorporates a modern interlocking design which replicates the traditional pan and cover tile that has been a hallmark of European and Mediterranean architecture for centuries.

# Curvado Glazed

For a bold, eye catching tile in colours designed to reflect your character, Bristile Roofing offers the Curvado Glazed range.

A roof tile conceived to satisfy the needs and preferences of building professionals, the Curvado Glazed tile has a variety of features which guarantee enduring popularity with home builders seeking a European style.

Manufactured from the highest quality clays, the Curvado Glazed incorporates a modern interlocking design which replicates the traditional pan and cover tile that has been a hallmark of European and Mediterranean architecture for centuries.

# Visum3

A new era in roofing products has arrived with the Visum3 tile from Bristle Roofing. Featuring a truly revolutionary interlocking design, the Visum3 has been designed to replicate smaller slate and clay tiles.

Introduced with a 20 year patent, the Visum3 provides an affordable alternative for those desiring a shingle roof. Industry leading technology enables each tile to be coloured individually with realistic pitting on the tiles surface for authenticity. Featuring a slim 9mm nose, the Visum3 achieves ultra flat laying for the ultimate shingle and slate appearance.

# Medio Curva

A roof tile used through the ages, reintroduced in colours designed for the new world.

Traditionally, this two piece tile, also referred to as 'Mission Barrel', was the most frequently used roof tile in Europe and in Spanish colonial buildings in the new world. Today the Medio Curva tile is used in the construction of new homes, due to the beauty and wide variety of colours available, or on existing projects to restore historic roofs to their former beauty.
