## SmartStyle® 7 Year Warranty

HVG Building warrants that, under normal use and service, the material and workmanship of its SmartStyle® door and panel products shall conform to the standards on the applicable technical data sheet for a period of seven (7) years from the date of manufacture.

In the event that a HVG Building SmartStyle® door and panel product does not perform as warranted, the first purchaser's sole remedy shall be limited to repair or replacement of all or any part of the product, which is defective, at HVG Decorative Building's sole discretion.

### This warranty applies only to thermo-laminated, paint-ready and cut and edged product:

1. In its original installation; and
2. Purchased by the first consumer purchaser.

### This warranty shall not apply to defects or damage arising from any of the following:

1. Accidents, abuse, or misuse;
2. Exposure to extreme temperature or humidity, whether it be environmental or produced (ie; steam and heat from cooking);
3. Improper fabrication or installation, including not using appropriate clearances or heat deflectors where required; or
4. Improper maintenance.

The warranty does not cover any paint finish that is applied to the doors or panels in any way.

*Please note: The above is an excerpt of the warranty. A copy of the full warranty, technical data sheets, and care and maintenance documents can be obtained by emailing your request to [building@hvg.net.au](mailto:building@hvg.net.au) or visiting our website. The warranty should be read in conjunction with these other documents.*

## Easy to clean

Low maintenance surfaces that are simple to clean and maintain, making it easy to keep it looking newer for longer.

## Durable thermo-laminated doors

SmartStyle® doors offers a durable surface that minimises the risk of chips and scratches for 'high traffic areas' – perfect for the way we live today.

# SmartStyle® Profile Doors

**SmartStyle® elevates design and quality to new heights, with a premium range that includes doors, drawers and panels available in thermo-laminated and raw (paint-ready) surfaces.**

Upgrade any space with SmartStyle premium thermo-laminated vinyl, and ready-to-paint profile doors. Proudly Australian-made, our doors combine durability and style, offering easy maintenance and resistance to wear and tear. Perfect for high-traffic areas, they maintain their pristine appearance year after year.

For those who love a personalised touch, our ready-to-paint profile doors provide the ideal canvas. You can customise them with any colour or finish to match your unique taste and home decor.

Both options are crafted with precision and quality, ensuring they are not only beautiful but also built to last. Enhance the aesthetic and functionality of your space with SmartStyle doors that meet your needs and exceed your expectations.

### 100% Australian Owned

SmartStyle® is distributed by HVG Decorative Building Products an 100% Australian owned company proudly producing and distributing innovative interior surfaces. Our SmartStyle® Profile Doors are manufactured at our HVG Manufacturing plant in Victoria, part of the HVG group of companies all of which are 100% Australian owned.

Being able to distribute and manufacture locally ensures stability in supply, improved quality and lead times and an ability to produce a focused range with flexibility, craftsmanship and nimbleness at its core.

Experienced staff, state of the art production facilities and ordering platforms enables us to provide a seamless customer journey and exciting solutions to the industry and nationwide.

### Applications

Suitable for vertical use, thermo-laminated doors are ideal for doors, drawers and panels in kitchens, pantries, bathrooms, laundries and wardrobes.

# Vinyl Finishes

## S Satin

This texture group is a dense structure with a moderate reflective and soft tactile quality.

## M Matt

This texture group has a low reflective finish quality.

## GL Gloss

A mirror sheen finish with brilliant appearance.

## T Texture

This texture group is a subtle tactile touch with a moderate reflective grain sheen level.

## SM Supermatt

This texture group is a low sheen finish with a super smooth feel, complimenting both solid colours and timber grains.

## GT Grain Texture

This woodgrain and texture group is a low sheen finish with dimensional textures and natural timber variation.

Textures shown in this brochure are representations only and may vary slightly from the actual product. For all finishes, please refer to sample for specific texture - available free from [hvgbuilding.com.au/smartstyle](http://hvgbuilding.com.au/smartstyle) or by calling 1300 854 166.

## Neutrals and Colours

Featuring classic and timeless colours, adaptable neutrals and greys; our solid colour collection incorporates simple basics with stand-out colours. This collection provides a versatile base to choose from; whether pairing with existing colours, patterns or woods, or designing a unique colour story for any project.

## Neutrals and Colours

## Woodgrains

With a combination of realistic and wood-inspired designs these curated, organic patterns provide the opportunity to appreciate rare and endangered wood in a sustainable way; or choose from classic, traditional wood patterns for use in a wide variety of applications. Coupled with the seamless edge of vinyl, these woodgrain designs emulate natural timber doors.
