

Model GE-58

Cool to the touch and warm to the eye

This hot fireplace feels cool to the touch, yet puts out heat when you want it. It hangs like a piece of art – easy to install and set up. Place it on any interior wall with an electric outlet. Just plug it in and have a beautiful fire. All linear models are flat, except the GER-36, which has a curved glass front.

Model GER-36 has a curved glass front, plus 3 backlight colors.
