

Multi-function. Multi-user. Multi-benefit.

Boost your productivity with the new HP Designjet T2500 eMultifunction Printer.

Enjoy true compact efficiency, with the ability to print, scan and copy from a single device. Every aspect is built to your needs: the integrated output stacking tray delivers prints flat and collated, the color touchscreen generates useful print previews, and built-in web connectivity means you can access, view and print projects from virtually anywhere¹. An eMultifunction Printer that multiplies your efficiency.

Learn more at hp.com/go/designjetT2500

Integrated scanner

Share scans, sketches and hand-annotated drafts.

Output stacking tray

Eliminate the output clutter - get flat and collated prints up to A0/E.

Color touchscreen

Monitor media rolls, view status and track print jobs.

True front roll loading (two rolls)

Effortless loading and automatic alignment.

Mobile connectivity¹

Use your smartphone or tablet to print from virtually anywhere.
