4415 HO GS2 Direct Vent Gas Fireplace

The 4415 HO gas fireplace brings you the very best in home heating and style with its sleek, linear appearance and impressively high heat output.

With a long row of dancing flames and built-in fans, the 4415 is not only an excellent heater but a beautiful focal point in your home. Turn on the under-lighting that shines through the translucent glass floor and you've got magic whether the fire is on or off.

This sophisticated fireplace can accompany any architectural style with a selection of fireback options along with realistic Driftwood and Stone Fyre-Art.
