

Interfar specialises in detailed joinery & commercial fit outs. Established in 1973, Interfar initially started designing and manufacturing furniture for the residential market. Over the years Interfar have worked together with a number of Builders, Architects & Interior Designers providing joinery for the commercial & domestic market.

Interfar can provide joinery for any project, from a simple desk, Doctor's surgery to a complete multi-level office fit out.

Unit 1/1040 Canley Vale Road Wetherill Park
