

**DN400** | TWIN  
CHAINWINDER

## DN400 | TWIN CHAINWINDER

# The Twin Chainwinder is the ultimate window control for large awning windows.

Delivering a solution to the growing trend of large awning openings, this revolutionary product is the ultimate in window control and is sure to change the way in which awning windows are specified.

Following on from our industry leader the DS1 Chainwinder, the Twin Chainwinder allows for easy operation and installation in a secure key lockable configuration. Combined with a stylish and easy to use slim fold down lever, this product delivers ultimate window control.

Designed for Residential and Commercial settings where large awning openings are often found. The DN400 Twin Chainwinder can be pre-restricted in order to comply with the NCC and to meet the requirements with Kid's don't Fly.

## ADVANTAGES

Window restriction compliant in association with kid's don't fly

Removable chain from sash plate to aid installation and to assist in cleaning – "Chain Secure"

Supplied with a Stainless Steel chain

Smooth, effortless operation and control for large awning openings

## COLOURS

SATIN BLACK

PEARL WHITE

SILVER

CUSTOM COLOURS  
AVAILABLE ON REQUEST

## TESTING

Tested and surpassed Neutral Salt Spray testing in accordance with AS2331. 3.1

Tested and surpassed over 5000 pascals of negative pressure

The DN400 does not have a weight or load rating, though when used in conjunction with the Doric Heavy Duty Stainless Steel stays or any continuous hinge framing system, will easily operate within a sash up to and beyond 100kg.
